Facebook post citing no leaves or garden clippings are accepted at highway department, strictly branches and wood material.

ANIMAL CONTROL REPORT SEPTEMBER 2026, Submitted by ACO, Mary Jean Calvi
During the month of September, there were no lost or found dogs. There was one dog bite reported, one request for assistance by the Duchess County Sheriff's Office and several, suspiciously ill, raccoons.
At this time of year, it is not uncommon for raccoons, skunks, foxes, bears and other wildlife native to our area to be more openly visible as they, too, prepare for winter. While this is no cause for alarm, common sense tells us that we should give them space and avoid any interaction with them. Having said that, if you see any wildlife acting abnormal, i.e. behaving extraordinarily tame, lethargic, confused, neurologic, falling over, or acting in an aggressive manner, it is important to contact local animal control or the Dutchess County Sheriff's Office. Keep children and pets away from the animal until it can be assessed by either office and most importantly, make sure all pets are up to date on rabies vaccine.

Recreation Report, given by Maggie Collins-Field
October 7th -Despite the rainy weather, our Parks and Recreation team enjoyed hosting the annual Oktoberfest event last month. Thank you to the Town Board, staff, and volunteers for working tirelessly throughout the day to help ensure the event went smoothly. Special thanks to East Fishkill Provisions for providing delicious German food, Alpine Squeeze and Germania Almrausch for traditional music and dancing, Dutchess Beer Distributor for the beer and various drinks, and Donuts for Days for providing warm snacks and beverages. Final thank you to everyone who attended and participated in our games and raffle contests. Our team looks forward to next year's event.
On October 24th from1-4pm the Union Vale Fire Company will be hosting the 6th annual Touch-a-Truck event at Tymor Park with a Halloween theme - costumes are highly encouraged! If you are interested in participating in this event please email UVFDPIO@gmail.com. More information can be found on both the Town and Fire Company's website and social media pages.

Parks Report, submitted by Park Manager Vincent Germano,

- We hosted the Regional Chamber of Commerce for their annual hot air balloon festival last month, some sudden rain complicated parking a bit, but they were able to make things work.
- The horse show that was scheduled for September 27th was rescheduled for October 25th.
- We have a rental at the equestrian center this weekend that we are preparing for.
- Oktoberfest unfortunately experienced rain for the first time in 23 years. We tried our best to make do with the sudden weather and make sure attendants were still able to enjoy the event.

Public Comment on Agenda Items- None

Resolution for required training for all Union Vale Associates – Tabled
Motion to table to a future meeting by Councilman Redinger and seconded by Councilman Durland, all were unanimously in favor.

2027 Budget Discussion
Supervisor Frazier stated he sent an email to the Board with all the areas of concerns. The Board agreed to overview each area.
1010.4 – increase due to town code work, a number need to be updated and this might actually be light.

1355.4- Assessor- the increase was for outside consultants for appraisals for tax grievances, big expenditure was largest development, they won't be eligible to grieve for 3 years therefor he was comfortable cutting that line to $7,000 down to a $6500 savings.

Attorney- sent history to board, back to 2019, they have only come under the 50K mark once therefore it was not sufficient as an estimate. Currently it is $130K, due to ongoing litigation they decided to leave it.

Media – This number increased due to the need to film both Planning & Zoning meetings. There is 20K in the account and would like to use some of that for a PA system to encumber funds for this project.

Liability Insurance –Ins company and had the renewal date changed to June to have more accurate reporting. This will cause the premium to be less because it is for the first 6 months. After June there will be another premium notice, asked the board what amount they want to budget, difference of 27K, there is no savings just better reporting, they agreed to leave the amount budgeted.

Municipal dues- $50 increase, can be absorbed.

Contingency Fund– historically it's been 20k the additional 130k was for subscription services for MHLS and clean up after the library exits. The past year it was used for the sprinkler system issue. Councilman Durland inquired about if this could be covered partially by the general fund, there was further discussion on the contracted figure from MHLS and the expense to clean out the senior center. Redinger agreed this number may be prorated as the deal would not be as of January 1. Councilman Durland suggests they trim 50k from contingency leaving 100k. Councilman Redinger offered 26k and all agreed.

Equestrian Center- $2500 stipend for director and $3500 in startup, they collect donations to help, no area to cut.

Celebrations – this year is the 200th anniversary of union vale and looking to spend 5k, this is something that can be taken out of fund balance.

Overall amendments contingency 126k and 7989 culture, 5k from fund balance

Last meeting was 7.4% adjustments bring it to 6.0%. Although they all wish it was less, some of the increases due to the cost of fuel and the overall economy are higher.

Attorney Lindars explained there is a resolution to capture all the amendments from prior and tonight and set the public hearing.

Resolution #57 Resolution Adopting Preliminary Budget for Fiscal Year 2027 and Establishing a Public Hearing Date; (see attached)

Resolution #58 -LOCAL LAW NO. 3 OF THE YEAR 2026 A Local Law entitled "Local Law No. 3 of the Year 2026, Creating a New Article VII under Chapter 196. Taxation, Adopting Full Property Tax Exemption for Certain 100% Permanent and Total Service-Disabled Veterans".

Resolution #59 OF 2026 RESOLUTION ACCEPTING MUNICIPAL INVESTMENT GRANT FOR TOWN HALL ACCESSIBILITY IMPROVEMENT PROJECT

Planner Contract Proposal

Supervisor Frazier sent the Board for review, there are two parts. The first was a for improvements to Planning Board and ZBA forms and guidance for meetings. The second was to assist in updating the code book and master plan. Councilman Redinger, agrees with the first part of the proposal as he has heard multiple complaints about the operation and whether or not it is straightforward and there is a need for clarity for the applicants and board. All agreed this is very needed and will only help.

Motion to Approve Improvements with Planner Contract Part 1

Councilman Harrington made a motion to move forward with the first part of the proposal to make improvements to the Planning Board & ZBA operations. This was seconded by Councilman Redinger and all were unanimously in favor.

Part 2 Planner Proposal:
Everyone agreed in principal but cost is the hold up, and with the impending budget is not as urgent. Councilman Durland and Supervisor Frazier suggested an estimate so they could come up with a budget idea if they were to cap the expenditure at a certain amount for 2027.

Public Comment on Town Issues
Jean Moore, Darren Road, emphatically thanked everyone for the benches at town hall and park and noted how useful they are to the senior as well as the general commuinity. She also looks forward to the ADA door. The benches are very needed and appreciated by everyone.

Supervisor Frazier thanked the DeForest Family as the donations were in memory of Peter DeForest family who was Highway Superintendent and Town Supervisor as well as Town Constable for a time.

(UVFD report was read again due to auditory issues)
